

AUDACE

BAR & RESTAURANT

Welcome to **Audace**. Join us on a gastronomical journey by exploring your palate with 16 dishes to share, each infused with wild herbs thoughtfully foraged from the French Alps. Inspired by Executive Chef Jérémy Gillon's own heart-warming family tradition of get-together meals over a big round table, the Sunday brunch concept is built on the idea of communal sharing amongst family and friends. Each week, Chef Jérémy will present new dishes on this ever-changing audacious menu!
